APPLICATION – Page 3 of 3

This form is required of all participants who will be renting skis and/or a snowboard.

I agree to rent the equipment described above under the following terms and conditions:

- A. I understand that ski bindings are set based on a skier's age, height, weight, and skier type. I have supplied this information accurately on this form. I understand that the bindings may not release properly if they become clogged with mud. I understand that any adjustment of the bindings should be performed by the rental shop personnel only. I will notify the rental shop if the bindings become muddy or damaged or if I have any difficulty in using the rental boots or bindings. I will inspect the equipment before each use and will make sure it is not used if any parts are damaged or missing.
- B. I agree to be responsible for the equipment listed on this form and to return it in clean, undamaged condition to the place I rented it, at or before the end of the rental period. I agree to pay for equipment that gets lost, stolen, or damaged.
- C. If I do not understand the use and operation of the equipment I rent, then I agree to obtain instruction in the use of this equipment from the rental shop or the snowsports school personnel until I understand it. I understand that this rental shop offers no warranties, expressed or implied, and that this equipment is accepted as is.
- D. I agree not to let anyone use all or any portion of the equipment I rent other than the one whose age, height, weight and ability I have provided.
- E. I understand and agree that skiing, snowboarding and similar winter sports are hazardous activities and have inherent risks no matter how careful I may be and I freely accept and assume all risks of injury or death that may occur while using this equipment. I understand that trail conditions vary constantly due to changing weather and snow conditions, grooming, snowmaking, lift operations and other participants. I understand that ice, moguls, forest growth, rocks, debris, bare spots, stumps, trees, natural and man-made objects including grooming equipment, snowmobiles, and snowmaking equipment and variations in the terrain may be found on the trails and may be difficult to see, I understand that the ski-boot binding system will not release under all circumstances and is no guarantee of my safety. I understand that the snowboard-boot-binding system is a non-release system and does not reduce the risk of injuries. I understand that walking in snowsports boots is different than walking in shoes; I recognize it is common to slip on icy or wet surfaces when wearing these boots. I understand and agree that a helmet cannot guard against all impacts and head injuries. The greater the speed, the less a helmet can do. An impact by a helmeted head at running speeds of 13 mph can be harmful and even fatal. I understand that a helmet does not reduce the risk of injuries to the neck, spine or other parts of the body at all.
- F. I accept responsibility for the safety of myself or the person for whom I am signing, and I assume all risks of personal injury, death, and property damage that may occur as the result of my rental of this equipment. I understand that all these conditions, understandings, and agreements are conditions of my rental of the equipment. I agree to indemnify Wintergreen Partners, Inc. the equipment manufacturers, their employees and agents against any claims, demands, losses or damages including court costs and attorney's fees incurred which may arise out of any injury or property damage caused by the improper use of this equipment during my rental of the equipment. Additionally, I agree that any dispute arising under this agreement shall be litigated in the Circuit Court of Nelson County, Virginia or the Charlottesville Division of the U.S. District Court for the Western District of Virginia.

If participant is less than 18 years old, parent or guardian has executed this Agreement to undertake responsibility for the provisions set forth herein.
